ARD will check with OAR. It's not clear.

Good Morning Sandy and Kathy,

Has OCIR received the attached letter from Sen. Johnson and Cong. Grothman dated February 10th? If so, has it been assigned yet and to what office? Our Region is receiving phone calls regarding the letter and had not been aware of it.

Thanks  
Gayvonne

This letter, sent Feb 10 was sent to the Administrator's office by Sen. Johnson and Rep. Grothman. It is now generating a bunch (over a dozen today) phone calls from citizens mainly urging us to not follow the recommendations in the letter. We are compiling the calls and will discuss how to respond. Just wanted everyone to know what was going on.

Hello-

I have attached the letter our office, along with Rep. Grothman, sent to Acting Admin. McCabe. Today, our office sent an e-mail out to some residents of Sheboygan County letting them know we sent the letter to EPA, however there is no mention that they should call the EPA. I would suspect that the calls are coming from that, since the letter was sent Feb. 10.

One of my coworkers gave me a message that Anna Wagner from EPA called on the same issue, but I haven't reached out to her yet. Please let me know if you have any questions.

Tyler

Hi Tyler,  
It was nice meeting you in Milwaukee a couple of weeks ago. We are getting some citizen calls regarding a letter that Sen. Johnson sent to the EPA about Sheboygan County air quality. Would it be possible to get a copy of that letter? It will help us to respond.

Thanks,  
John Mooney
